

Certificate of da Vinci System Training
As a Console Surgeon

Prof. Dr. Volker Viereck

has successfully completed an Off-Site Training program in the use of the *da Vinci*® Surgical System as a Console Surgeon. This program consisted of didactic and practical skill application sessions covering the components and use of the *da Vinci*® Surgical System and *EndoWrist*® Instruments. Additionally, a training laboratory was conducted providing utilization of the *da Vinci*® Surgical System for key technical System skills as a Console Surgeon. Surgical team roles, responsibilities, and emergent management of the *da Vinci*® Surgical System were emphasized.
